

# Hi, my name is Arwa Al Shareef, and I'm a graphic designer!

I have a Masters Degree in MultiMedia Design from New York Design Institute. With 5 years of experience working with 2 of the leading Media firms in Abu Dhabi's TwoFour54, I have what it takes to take design in your company to the next level. A senior level position, wherein years of experience will be fully utilized.

## WHAT I CAN DO

Create unique ideas

User experience design

Create print material
