## WHAT I CAN DO

I have a 5-year experience in graphic design, a 2-year experience in mobile app development, 3 years in web, and a lifetime in drawing!

## SKILLSET

Although I'm a multimedia artist, I am capable of honing my talents in various forms without forgetting one or the other! I guess that's another talent of mine!

I am able to handle multiple projects without giving in to stress!

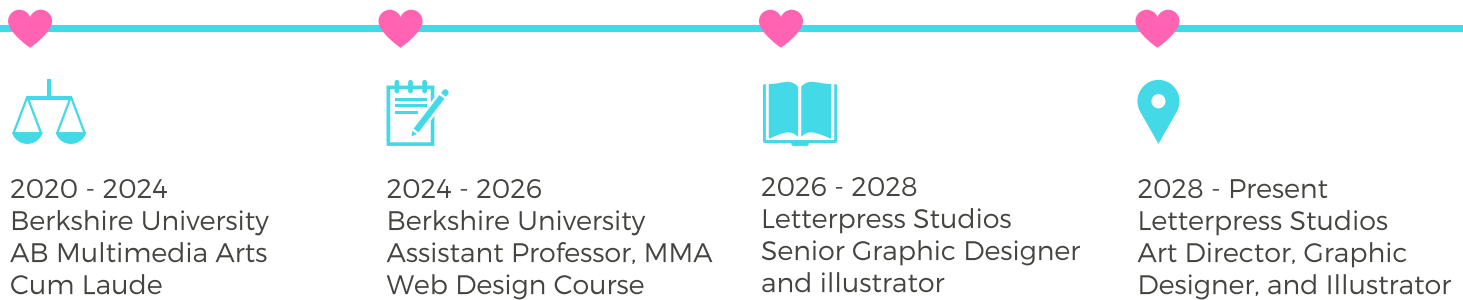

I am a hardworking individual that is self-motivated to accomplish her tasks for the day!

I am a highly-skilled individual capable of learning more and adapting to her environment.

Without fail, my colleagues, and previous clients always have a fun time when they work with me!

## MY TIMELINE

# 100
